MUSIC CONCERT ANNOUNCEMENT **FEBRUARY 5, 2005 — 7:30 pm**

The ***Folk Music Society of Huntington's* First Saturday Concerts** will present :

BOB BROZMAN

A Complete and Uplifting Evening of Virtuoso Music, Passion, History and Humor

Redefining musical diversity worldwide, Bob Brozman is a remarkably prolific artist whose wit, energy, and musical technique combine powerfully to create an unforgettable live performance. A master of slide, fingerstyle, and percussive guitar, Bob's exhilarating show spans the global and musical spectrum, and keeps audiences enthralled, begging for more of his endearing, infectious energy.

Bob's familiarity with diverse world music cultures produces a novel blending of rhythmic and timbral influences, unparalleled in today's musical environment. His rhythmic dexterity resonates with elements of blues, jazz, Gypsy swing, calypso, sega, and even the most modern hip-hop and ska beats.

Likewise, his chords and harmonies articulate an acute blend of timbres from Hawaiian, Indian, African, Japanese/Okinawan, Caribbean, and American roots blues. His fingerwork has been described in world press as uniquely staggering, yet full of humor. Bob has a collection of hand-tricks that make audiences look for electronic effects that in fact don't exist: his show is the clean product of acoustic genius.
